This company deserves the right to use the mention:

« Certified by OCQV »

Certified in compliance to the Canadian Organic Standards (COS/NBC).

Valid within the scopes of the Canada Organic Regime and the Quebec Organic Food Control System.

"This certificate is valid for all products mentioned unless it is replaced by a new certificate or temporary or permanently cancelled, following a revaluation carried out by the certification body regarding the compliance of its operations, or because of the interruption or the voluntary surrendering of its certification by the business. The certification body should be contacted in order to ensure that it is the most recent certification document and that it has not since been cancelled following the withdrawal or the suspension of the certification granted to the abovementioned business."
